

LIVESTOCK SHIPS USED BY UNRRA, 1945-1947

Compiled by Peggy Reiff Miller

The following is a list of the 73 ships used by UNRRA, the United Nations Relief and Rehabilitation Administration, to transport livestock from U.S. ports to Europe, China, and Africa following World War II. The Brethren Service Committee of the Church of the Brethren provided the cattle attendants for these trips in return for shipping for the heifers and bulls of the BSC's Heifer Project.
